READY-TO-GO

What about the prompt delivery for your perfect closure?

Labrenta launches a new service called READY-TO-GO: the right closure is ready for you in the fastest and most efficient way.

We provide the availability of 6 products, part of the T-SHAPE WOOD family, ready in stock*, guaranteeing quality and reliability. These articles are available in two standard sizes and in three different colors: natural wood, brown and black which are adaptable to the two most common bottle mouths in the market.

Assembly is made with NGS (No Glue System) technology, meaning that no glues are used and a perfect seal is ensured.
